Dear Melody,

I wanted to write you this personal note in order to thank you for all that you have done for us to date and to commend you and your team for your professionalism and commitment to our company.

It has been just about 3 years since you have managed our accounting department, during which you structured us properly and assisted us by contributing your expertise in many major decisions which we have taken for the betterment of our business.

Your day to day help as our administrative arm and your assistance as a valued business consultant are greatly appreciated.

Thank you once again and keep up the good work.

Sincerely,
